Subject: Peace Bridge Overwidth and Overweight Construction Restrictions

---

The Peace Bridge Authority is pleased to announce that the 3-year bridge rehabilitation project will be completed on time and all lanes will be available beginning Wednesday May 15, 2019.

You can begin applying on-line immediately for wide and overweight loads that will cross the Peace Bridge on or after the May 15<sup>th</sup> date. Go to:  
<https://www.peacebridge.com/index.php/commercial-vehicles/truck-loads-special-loads-program>

Thank you for your patience during this extended period.
